HIGHLIGHTS

ConnectiKids is very proud of the Students who participated in the showcase!

ConnectiKids is proud to have been part of the journey of the amazing students who showcased their hard work and creativity at the June showcase. Their hard work was remarkable as they presented their projects with enthusiasm and energy. This level of engagement is a true testament to why we do what we do and are passionate about empowering young minds to reach their full potential. We greatly appreciate everyone who took the time to come out and support the students. Your presence made a huge difference, and we are so grateful for your support!
