CTKIDS PROGRAMMING

Tutoring & Mentoring

ConnectiKids is back in full swing! The mentors and staff were welcomed with open arms this month by the kids! We are so excited about what's in store this school year! The program includes one-on-one tutoring and mentoring sessions, an interactive book club, and enrichment activities! It's a great year to expose the kids to new people, places, and opportunities.

Thank you Travelers!

We took a trip to visit Travelers and had a blast doing some fall activities and enjoying some sweet treats. As part of the celebration, they participated in various activities, such as coloring, reading, mask-making, and trick-or-treating around the office. We want to express our sincere gratitude for the support and collaboration extended by Travelers. Their participation is a genuine testament to the spirit of partnership within our community.

ConnectiKids Features

Welcome Tucker!

Our ConnectiKids family is growing once more! ConnectiKids is thrilled to introduce our newest Program Assistant, Tucker Gill! He will be responsible for facilitating our tutoring and mentoring sessions at one of our school sites and ensuring everything runs smoothly. Here are some cool facts about him: He's a West Virginia University alum, he has the most adorable dog named Bebe, and he's a big fan of the Buccaneers football team! We are excited to have him on board to help us accomplish meaningful work as we grow as an organization. Let's give Tucker a warm welcome to the team!
