ConnectiKids Features

Denise – WMSC Librarian

It's an exciting month! We are collaborating with Boundless Library at West Middle School and Hartford Public Library. During each Tuesday's mentoring session, students can access interactive stations at the Boundless Library in collaboration with ConnectiKids. In addition to the weekly partnership, HPL is partnering with the Connecticut Children's Museum to provide a three part enrichment series. This enrichment series will be offered to West Middle and Michael D Fox ConnectiKids students! Denise, the librarian, will provide additional resources and training to ConnectiKids staff to support professional development. We are thankful for the collaboration and proud to provide these great opportunities for students!
