ConnectiKids Features Appreciation of the Month

Petit Family Foundation

ConnectiKids is deeply grateful for our partnership with the Petit Family Foundation. This year, we are thrilled to announce that our funding request has been increased. Thanks to the Petit Family Foundation, the proceeds from the General Project Support Grant will help us facilitate our upcoming "Vintage Summer" program. The program will include academically supportive lessons, creative activities, and engaging field trips that will encourage children to learn and explore during the out-of-school months. We are excited to provide children with a fun and educational summer experience, and we are grateful to the Petit Family Foundation for their continued support!

UConn Business Graduate Students

ConnectiKids would like to thank UConn Business Graduate students Nate, Matthew, Kritika, Vibhav, and Deepthi for their successful fundraising efforts towards our 2023-4 Annual Campaign. They raised over \$1,000 during their Project Communication Leadership class. The proceeds from their class project will help us fund our upcoming summer program, and provide much-needed support to our Tutoring and Mentoring program in the fall. Thank you for your generous contribution!
