Share the Love 2026
Thank you for all the love!

Last month, ConnectiKids had an incredible turnout at our Share the Love Fundraiser on February 12th at New Park Brewing in West Hartford. Thanks to the generosity of our community, we raised over \$6,000 in support of Hartford youth.

The evening was filled with connection, excitement, and heartfelt support for our programs. We're so grateful to everyone who attended, donated, and helped spread the word. Events like this make it possible for us to continue providing high-quality mentoring, academic support, and enrichment opportunities to the amazing young people we serve.

A special thank you to Doug at Missing Link Wine Company for curating all of the wine; to Christina and Sophie at New Park Brewing for being such gracious hosts; to Schaurtrice and Andrew for their wonderful performance; and to Tilted Bottles for processing the orders. Your partnership helped make the event a huge success!

Thank you for sharing your love with us. Your support truly makes a difference!

These single snapshots of ConnectiKids students are moments of joy, learning, and growth. These photos capture exactly who our Annual campaign is for. Each child represents a story in motion, and your support plays a meaningful role in shaping the next chapter.

Every contribution whether large or small, helps sustain the programs our kids look forward to every week: mentoring, enrichment, field trips, music, hands-on learning, and the caring community they find here.

We're not aiming for perfection; we're aiming for progress, together. And this is a perfect moment to help us move forward. If you're able, please consider becoming a Champion for Change today.

Your generosity helps ensure that every smiling face in these photos continues to shine.
